

Republican Victory.

The Republicans of Holt county have reasons for congratulations over the magnificent victory that has come to them in the re-election of Mr. McKinley. and the selection of a safely Republican

house of congress.

It is with the keenest regret that we announce the defeat of Mr. Joseph Wise. announce the defeat of Mr. Joseph Wise, for the judgeship of the upper district. He was in no sense a candidate before the county convention—several gentle men were asked to accept the nomination, but they all declined, and to force a nomination upon him, and then defeat him, when the district is Republic in, seems to us a great injustice. We have seems to us a great injustice. We have watched his course upon the bench, and believe him to have acted consciru-tiously upon all questions coming before

tously upon all questions coming before him. Ho't county has no clemer or more upright, honorable citizen.

The Republicans, under the magnificent leadership of County Chairman Alkire, and his aids, together withe able campaigning of the local speakers, show the handsome gain of 187 majority as a magnetic with the vote of 1876 and had

The dereat of Mr. Rennish, while it was expected, we did think that those Democrats in Holt county, who assured Mr. Kennish of their support, would have made their ballots to read accordingly. but as in the past they vote straight and leave the Republicans to do the scratch-ing, and then laugh in their sleeves. However, both Mr. Kennish and Judge O'Fallon ran ahead of the party ticket, and have no occasion to be ashame i of the vote of Holt county. Mr Kennish's majority in this county is 651 but it it should have been nearer the 1000 mark. Judge O'Fallon's majority is near the 600 line. Mr. McKinley's majority is 537; Mr. Flory's 517; O'Fallon 563 and Mr. Gromer for state senate.

ion 563 and Mr. Gromer, for state senate

The constitutional amendment, providing for the taxation of mortgages, has a majority of 188, and will likely be adopted in the state at large. To restrain stock from running at large was also adopted by a majority of 1224.

We are also proud of the vote of Lewis township, she increasing her majority 23 over that of 1896, and this is largely due to the excellent leadership of Mr. Joseph Graham, president of our Republican club, and his excellent secretary, Mr. Molter. The latest election news from the courty at large will be found in our supplement.

### Happy Hearts

Another of Oregon's fair daughters has been taken from us, and leaves us to dwell in other climes not as the young Miss, whom we have known among us since babyhood, but she go-s hence at the bride of one of Puebio's sterling young business men.
